11/02 AX: expenses consisted of \$759 and \$180 to SCCA for sanction-and-insurance and weekend memberships, and \$1100 to SBLS for lot rental. Income consisted of \$330.26 from Square, \$110 in cash, and \$1827.39 from MSR.

Solo Report (Tom P.)

- 1 no-show, 49 people (too many for us to handle). Lots of last minute registrations, and people late messaging if they can still come
- 12/7 next event

Race Report (Weber Manning via KP):

- Weber is getting a leather chair for winning FP in MidAm
- Doug Gill won HS in Mid-Div Solo, and his daughter placed 2nd in HS

Old Business:

- T-Shirts – Andy's gotten a hold of his T-shirt guy ... and they're not doing T-shirts anymore. He did give us a referral to another place.

- Elections – Received 12 ballots physically, 6 electronically, 20 total (16 required)
 - Need to organize handoffs between Ken to Andy, Andy to Tom, and Tom to Alex
- Sites – Nothing new
- Awards Banquet

New Business:

- Trailer Storage in Memphis – Despite storage in Earle being free, we’re running out of people willing to tow it back and forth. Anything less than \$50/mo will be reasonable, some quick searches show that to be a plausible target. A motion was made and passed to commit to setting this up.
- Banner for Events/Marketing – Maybe 2’x6’ or so, to hang from a tent. Andy might have a contact.
- Zoom – Let’s drop it for cost savings, probably Google, maybe Teams

Adjourned at 8:00 PM. Next meeting TBA.
