

Mid-South SCCA BoD June 2026 Meeting

- **Called to Order** 7:15 6/09 at Central BBQ on Summer and via Google
- **Present:** AL, TomP, JA, TalP, AM, KP, RH / **Absent:** / **Virtual:** BG, LB/ **Guests:**
- **Minutes from May:** Approved with date correction

RE Report (Andy L.)

- 23 renewals April-May, individual and family

Treasurer's Report (Jane A.)

We have \$13,145.30 in checking at the end of May.

Non-event: expenses since April consisted of the \$5 bank service charge, and \$289 to Tal for AXware. Income consisted of \$310 in membership payables.

4/19 AX: Expenses consisted of \$1508 (in two checks – one for \$525, the other \$983) to LBMS for lot rental.

Solo Report (Alex M.)

- LBMS cancelled on us for May because of overbooking, they were apologetic and will probably comp us a bit for June
- We have a few food truck possibilities
- No answer yet on post-football-season dates, will probably know by late July

Race Report (Weber Manning via Ken P.):

- June Sprints at RA happened in the last month. Don Tucker placed 46/48 on Sat, DNFed Sun with an EP BMW. Drago placed 5th on Sat, and 9th on Sun, in his SM.

Old Business:

- New venues
 - Bret's reached out to DeSoto County's Chamber of Commerce to see if they can help us find spots there
 - MIR revival might be in question with IHRA experiencing internal disorder
 - Holly Springs still looks decent

- Worth talking to Jetport about tarmac near the hangars?
- Chief of Waivers – someone has to be officially declared, and they have to be at the table until we officially close registration (with a subordinate to trade out) – not optional, we’ve just been fudging it all along. Might stay Jane as the primary chief, but we will need a deputy so she’s not chained to the table.

New Business:

- Logan is going to reach out to CY Fest and Midtown Autowerks about sharing some of their booth space. Will need at least 1 racecar (Red Rocket, Andy’s FiST?) and 1 grocery getter to show the spectrum

Adjourned at 7:40 PM. Next meeting: July 14th at Garibaldis on Walker
